Descendants of NOAH & SOPHRONIA WHITLEY BURLESON

We have listed in this book

- 10 Children
- 58 grandchildren
- 59 g-g grandchildren
- 56 g-g-g grandchildren
- 36 g-g-g-g grandchildren
- 2 g-g-g-g-g grandchildren

How many do you think they would have today?

Out of the 135 they had in 1935 we only have 97 listed. We are missing many descendants and we need everyone's help. We would like to locate as many descendants from this family as possible. So if you are a descendant of this family or know a descendant from this family could you contact the BFRG at jdburleson@northstate.net

We will try and contact them and hopefully we can make this book as complete as possible
